

Fujifilm Super – Six 2009 Photo Exhibition – LANDSCAPE

13th May 2009, Bengaluru: Fujifilm Super-six Photo Exhibition is an annual endeavor by Jindal Photo, the leading player in photographic products, to provide a platform to eminent photographers to showcase their works on variety of topics. Jindal Photo has been organizing photo exhibitions for the past five years now, which is popularly known as **Fujifilm Super-six**.

For 2009 series, Jindal Photo has associated itself with six photographers in the Landscape category.....namely **Mahesh Nair, Matt Brandon, Prabir Purkayastha, Somesh Goyal, Soumitra Dutta and Balan Madhavan**. The First exhibition in the 2009 Fujifilm series of Supersix, to be held in Bengaluru is a...5... day long exhibition showcasing the works of these photographers from 13th May and last till 17th May.

The exhibition will be on view till 17th May from 11:30 AM to 7:30 PM.

The exhibition will travel to other prominent cities of the country spreading awareness about the gracious initiative of Jindal Photo in promoting photography as a work of art and creating a platform for the amateurs to learn nuances of photography through exhibitions like these.

The theme for this years' exhibition is doubly significant because of its message concerning nature conservation. The uniqueness of Fujifilm Super-six 2009 series is the tribute by Jindal Photo to the contribution of imminent Landscape photographers whose insight goes beyond the realm of superficial, and whose outlook yearn for a long forgotten beauty – the beauty of nature. **The theme of this years' exhibition also dwells on the threat of extinction faced by our natural resources and endeavors to create awareness about natural heritage.**
